Protect furniture from beverages with these precision cut and laser etched alloy coasters.

Classic '60s Racecar Coaster Sets

are beautifully crafted from heavy gauge alloy and coated with a architectural grade, wear resistant black coating. Each set is precision laser-photo etched with historic images of the world's most famous racecars. The base of our coasters are lined with high quality, neoprene rubber which prevents scratching and insulates furniture.

- Coasters measure approximately 1mm thick by 88.9mm
- Sized to fit most glassware
- Water and heat resistant to protect furniture
- Easy to clean, simply use a damp cloth and wipe
- Recyclable PET retails display packaging
- Laser Photo-etching detail gives each coaster a vintage look and feel
