

GENUINE CUSTOM CARBON FIBER KEYCHAINS

SPORTS TAG

- Exquisitely made from carbon fiber composite and stainless steel and features a clear polyurethane coating to enhance the beauty of the carbon fiber weave.
- Stainless Steel side available in Polished Mirror Bright & Brushed finishes.
- Your custom graphics are available on one or both sides of the keychain using a permanent black laser etch process for the stainless steel side of the tag and one color screen-printing for the carbon fiber side. A clear dome is applied over the screen-printed graphics to protect the color from rubbing off over time.
- Keychains feature a genuine leather strap with white or red stitching and sturdy nickel plated flat universal key ring made from spring steel.

CLASSIC STYLE

- A classic luggage style keychain exquisitely made from carbon fiber composite and stainless steel each keychain is approximately 5/16" thick and features a clear polyurethane coating to enhance the beauty of the carbon fiber weave.
- Your custom graphics are available on one or both sides of the keychain using a one color screen-printing process. A clear dome is applied over the graphics to protect the colors from rubbing off over time.
- Keychains feature a genuine leather strap with white or red stitching and sturdy nickel plated flat universal key ring made from spring steel or an upgraded chrome plated padlock.

See backside for details

CARBON FIBER KEYCHAIN PROGRAM

“When only the best will do”, Quality Custom Keychains show your appreciation to your customers and make a lasting impression about your company and services that you provide. The feel of real Carbon Fiber accented with stainless steel creates not only a unique and beautiful personal accessory, but reinforces that the products and services you provide are of the same high quality.

Low minimum orders, high perceived value, and the quickest turnaround time in the industry have our competitors wondering how we set the benchmark so high. Give us an opportunity to help you set your own “benchmarks”, and allow us to supply you with the finest Carbon Fiber keychains available today.

A quality recyclable PET retail display box is also available at a nominal extra fee. See Below for pricing and more details.
