

Rear Trunk Dealership Plaque

A unique way to attract motorists off of the street and onto your lot.

- All Dealership Plaques are made from .0375" thick aluminum and detailed laser engraved with up to three lines of information.
- Standard with exterior grade double sided tape for a permanent fit on most flat or horizontally curved painted vehicle surfaces. Optional removable magnetic backing is also available to allow plaques to be removed or relocated.
- Choose from a black or white background with contrasting silver graphics. Add clear topical UV protected dome for a small additional fee.

See backside for details.
