

## **CUSTOM STAINLESS STEEL MEDALLION KEYCHAINS**

- Front side features a high gloss Full Color Custom logo sealed under a clear scratch resistant polyurethane doming.
- In-house designed and manufactured from laser cut 304 stainless steel.
- Offered in a durable Brushed or Polished Mirror Bright finish with black contrasting center piece.
- Custom graphics are permanently black laser etched with precision onto the backside of the medallion and cannot be scratched or rubbed off.
- Feature a genuine leather strap and premium quality nickel plated universal key ring made from spring steel which does not lose form when installing keys. Upgrade options also available.

*\*Automotive Dealers: Medallion keychains are available only to authorized dealerships of those trademarked logos. Dealership information must be presented on the backside.*

## CUSTOM MEDALLION KEYCHAIN PROGRAM

Introducing CAM Inc.'s latest innovation – the meticulously crafted Medallion Style Keychain. Our in-house design and manufacturing ensure unparalleled quality, offering customization to meet your unique preferences. Constructed from laser-cut 304 stainless steel, choose between a brushed or polished finish for enduring brilliance.

Each keychain boasts a Full Color Custom logo protected by a clear polyurethane dome, complemented by your **"authorized dealership or business"** details on the back through our permanent laser etching process. The inclusion of a plain leather strap and a 28mm diameter universal spring steel split ring, nickel plated for a lustrous touch, ensures compatibility with most automotive keys.

Benefit from low minimum orders, a perceived high value, and an industry-leading turnaround time, making our Medallion Style Keychain a staple for those with a discerning taste for quality. Elevate your presentation with an optional, environmentally friendly PET retail display box, available for a nominal extra fee. See below for pricing and more details.
