- Keyfob features a quality Nickel Plated Universal Flat Split Key Ring.

See backside for Pricing and More Details.

# CUSTOM KEYFOB PROGRAM

Now available from CAM, Inc. is our retro, quality leather **keyfob style key chain**. Made from thick, textured leather and heavy gauge stainless steel, this classic design makes an elegant statement about your company. This new classically styled key chain offers a high-perceived value at low, wholesale pricing.

Your detailed company name and logo are permanently black laser etched or color screen printed and domed on the stainless steel plaque in your choice of **Polished Mirror Bright**, or **Brushed** finishes. Additional company information may be permanently black laser etched on the backside for only \$0.53 more for each piece. The keyfob features a universal style flat 32mm diameter, nickel plated split key ring that will fit most keys.
