## Custom Stainless Steel Keychains

- A classic luggage style keychain made from Heavy Gauge stainless steel available in short or long body styles.
- Your custom graphics are available on one or both sides of the keychain using a permanent black laser etched or full color screen-printing marking process. A clear dome is applied over the screen-printed graphics to protect the colors from rubbing off over time.
- Available in Polished Mirror Bright, & Brushed body finishes featuring a black contrasting center piece.
- All keychains come with a plain or stitched white or red genuine black leather ring strap and your choice of chrome plated small, medium, or large diameter universal split ring. A jewelry quality padlock key ring can also be substituted for the split ring style for a nominal fee.
- Quality retail display PET boxes are also available.

See backside for Pricing and More Details.

# Custom Keychain Program

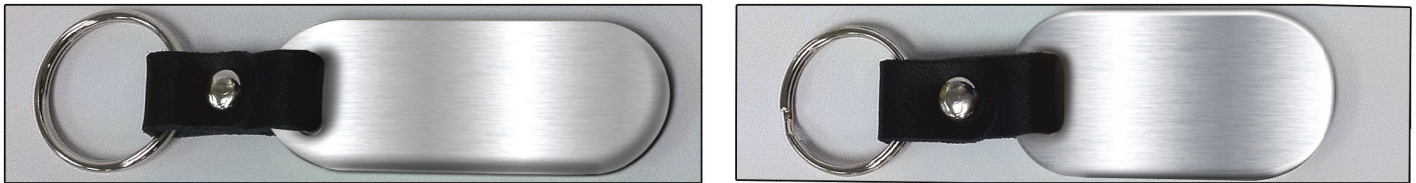

All custom keychains are styled after the “classic luggage tag style” and feature a genuine black cowhide leather strap with a standard universal split ring style key ring in your choice of three sizes:

Available at a small extra cost is our unique padlock style key ring and our premium white or red stitched black leather strap for added value. The padlock ring is made of nickel-plated solid brass and features a clever easy squeeze open and close clasp. The premium genuine black strap is the same as our standard strap, but features nylon side stitching for a more luxurious look.

Stainless steel body is offered in two sizes of short and longer to allow preferred exposure of your message.
