

Lifestyle License Plate Frames

- All frames are made from sturdy rust proof 20 gauge stainless steel, and guaranteed for a minimum of 4 years of exterior use.
- Available in three different finishes, universal fit, and easy mounting application.
- Graphics are permanently laser etched in black or silver into the metal for a beautiful contrasting look.
- Available frames include:
 - Racetracks of the World - *Nurburgring, Monza, la Sarthe, Silverstone, Sebring, Laguna Seca, and Suzuka*
 - California Surfer Bear
 - Clutch Pedals Matter
- All frames come with matching finish hardware hider caps.
